XYZware is easy to use

Designed for beginners, XYZware makes 3D printing quick and easy!

- A. Select a STL or obj file
- B. Preview and scale
- C. Print

Dual Nozzles

da Vinci 2.0 Duo features two nozzles allowing you to create multi-color projects using the 12 filament colors available in easy-to-install cartridges.

Cloud Library

Hundreds of 3D models available. Share, create and print online with the XYZworld community. Unleash the endless possibility of 3D printing.

Safe

Closed printing area protects users from the high temperatures required to print. No external filament movement during operation. CE certified.

Low Maintenance

Print bed detection and assisted leveling. Automatic nozzle cleaning. Plug-and-play printer. No assembly required.

Great Value

Dual nozzle printers have never been this approachable!

Easy Loading

Cassette-like filament cartridge makes filament changing easy. Low filament alert tells you when the filament needs to be changed.
